

ABOUT US

The Indian Institute of Head and Neck Oncology, set up by the Indore Cancer Foundation Charitable Trust has been developed conceptually as the first institute of its kind anywhere, with the potential of a national center for India's commonest cancer, that of the head and neck. Amongst its board of trustees are Dr. Jatin P. Shah of the Memorial Sloan Kettering Cancer Center, NY, USA and Dr. Jean Louis Lefebvre of France. Distinguished boards of trustees have over the years provided the institute leadership, credibility and vision. Dr. Diggpal Dharkar, Surgical Oncologist, is the Honorary Secretary of the Indore Cancer Foundation. Details of the center are available at www.indorecancerfoundation.org

ABOUT THE CONFERENCE

As a first major medical event, the institute is proud to be associated as host of the seventh Biennial Conference of Indian Association of Hyperthermia Oncology and Medicine. On February 4th and 5th, 2012 at Indore, India.

This conference will focus on :

- Clinical trials in Hyperthermia.
- Chemo radiation and Hyperthermia.
- Immune response.
- HIPEC
- HIFU
- Nano-technology for heating and thermal modeling.

After or before the two day event, delegates will have ample opportunity to see historical and picturesque sites in and around Indore such as Mandu, Omkareshwar and Ujjain.

THE VENUE

The conference venue is the Prestige Institute of Management and Research, Indore.

OUR CITY
